DESCRIPTION:

Alberto and Diego Cusumano have made an international name for Cusumano as a winery, and Sicily as a region, through their meticulously crafted wines made from both indigenous and imported grape varieties. They have taken advantage of vine sites around the island to maximize varietal character in their wines. The consistent high quality has made critics and consumers around the world take notice.

TASTING NOTES:

This value Merlot from Sicily readily displays the potential of depth that the island has for varieties that one would never have associated with such an unlikely terroir. There is no denying the wine's appeal. Packed with deep, dark berry fruit and hints of cocoa, herb and earth with a soft structure. Its velvety texture makes Merlot instantly appealing and an obvious alternative to similar, more tannic Bordeaux varieties.
