DESCRIPTION:

AZIENDA AGRICOLA DI MAJO NORANTE has been producing bottled wines since 1968. Di Majo Norante has recently been awarded the OSCAR Award by Gambero Rosso, the most influential and important wine trade magazine in Italy. They have also been "re-discovered" by Robert Parker Jr. of the Wine Advocate, who claims that they are making some "special wines" with the "assistance of the brilliant Umbrian oenologist, Riccardo Cotarella."

TASTING NOTES:

Deep ruby-red in colour, with increasing amber highlights as it ages. Its bouquet is vinous with hints of woodland berries. It is full flavoured and herbaceous, with a little spice (of green peppers). Aromas of plums, forest fruits and hints of leather and licorice. It is the perfect match for rich dishes such as grilled meats, game and aged cheeses.
