## **DESCRIPTION:**

Marco Felluga and Russiz Superiore are two of the most prestigious wineries of Collio region: they have an enduring relationship with the wine - began over a century ago, in the second half of 1800, in Istria - that can be considered a true dynasty of winemakers, that has been able to exploit the potential of some varieties and territories suited to the vine.

## **TASTING NOTES:**

*Straw yellow with bright green reflections. The wine presents overtones of almond blossom, floral notes such as hawthorn and chamomile. The taste is very enveloping, soft and refined. The freshness well blends with the alcoholic structure. Large body wine in the end leaves a pleasant persistence with mineral notes.*
