## **TASTING NOTES:**

***“Wine Enthusiast -96 Points” - “Tawny and bright in the glass, this mellow, bittersweet beauty offers caramel and vanilla, braced by allspice and bitter orange. Although Nonino is best known for its grappas, this amaro, flavored with herbs from the mountains of Friuli, is worth seeking out. Consider it for dessert pairings or an edgy spin on a negroni.” — K.N. (4/1/2014)***
