DESCRIPTION:

Multi-award winning Old St. Andrews Clubhouse Scotch Whisky is crafted especially for us in Scotland from carefully selected grain and malt whiskies. It is a distinctive brand that speaks to enthusiasts of whisky and golf. Old St. Andrews 'Clubhouse' is full flavoured, fruity and fresh. The exceptional blend of rich fruit flavours comes from ageing in European oak casks that have previously contained sweet wines, sherry or port. The powerful flavours are balanced with an undertone of sweet spiciness that leaves a fresh, energetic, mouthwatering finish. A multi medal winner and highly regarded by whisky experts.

TASTING NOTES:

90 POINTS - 'Brilliant' Jim Murray's Whisky Bible 2006 "Clean as a whistle: both malts and grains are young but proudly so. Mouthwatering: clear as the morning dew on the first green and no less grassy. Fresh and lacking any sort of pretensions."
