The second generation of the family have now taken the helm with the support of a brilliant team. Ridgeview sparkling wines are renowned for their balance of fruit with a wonderful backbone of acidity, to be enjoyed from lazy summer afternoons to state banquets and everything in between. - CERTIFIED ORGANIC COMPANY

TASTING NOTES:

"This wine brims with fruit and freshness. A host of apple notions comes alive on nose and palate: The appetizing, ripe tartness of Cox Orange Pippin, the mouthwatering crispness of Granny Smith and the mellowness of Golden Delicious. It has a refreshing, open honesty, juicy and totally inviting. Underneath all that allure lies a fine, creamy mousse. Flavours and freshness linger." - Anne Krebiehl MW ~ 12/1/2017
